

## 2010 Benevolence Allocations

Each year at our annual meeting, and as part of our budget approval process, our Mission, Peace & Justice Ministry proposes allocations for our benevolence distributions. These proposals are developed after discussions with such organizations and proposals which may have come from members of our congregation.

Comments and questions about these allocations may be directed to Lee Johnson, Chair, Mission, Peace & Justice Ministry, (360) 866-2972 or [ltjohnson@sprintmail.com](mailto:ltjohnson@sprintmail.com)

Subject to final approval at the congregation's meeting on January 17, one third of the total of the funds allocated in the budget for benevolences (\$ 51,000) will be distributed to each of our two denominations and the remainder (\$ 17,000) will be allocated to the following organizations:
